Monthly network report

Komunala Vzorec d.o.o. (sample) · October 2026

Version 1.0 · 6 Nov 2026 · Internal

Summary

In October the network ran without major interruptions. Readings reached 92% of the expected count, mainly because two gateways in zone 4 were offline.

Consumption by zone

The table compares consumption by zone with last October. Values are in MWh.

Location	2026	2025
Cona 1	412	388
Cona 2	356	371
Cona 3	298	305
Cona 4	251	240
Cona 5	214	226
